OtoSurg at IFOS 2026!

Our team recently had the privilege of presenting our work at the 23rd IFOS World Congress of Otorhinolaryngology where we were able to foster in-person connections and expand our global outreach. We look forward to beginning data collection in October 2026 and continuing to collaborate with our amazing global network.

Data Collection Video Series

- We are excited to announce our Data Collection Video Series is now live on Youtube and the OtoSurg website.
- Please take some time to review the data collection before collection begins in October at the website below!
- <https://www.globalohns.org/research-team-resources/copy-of-otosurg>

Next Steps:

- Data collection begins: October 2026
- Once IRB/Research Approval is obtained, register your team and site via REDCap Team Registration with your Unique ID. **If you do not yet have your unique site ID, please reach out to OtoSurg team.**
- View the data collection video series on our OtoSurg website!
